I ordered the grey wine and dine set, I received a grey set but it days love and family. I don't completely mind but just would have rather had the wine and dine set.

These hand towels are cute and look good in my kitchen. They are a little thin so once you dry your hands a couple times the towels are wet and no longer can "dry" your hands. All in all, they work just fine.

I have these in kitchen hanging for drying hands and they are great for that. Color is just as expected, true navy. Don't think the fabric would be good for drying dishes but didn't try it, not what I bought them for anyway.
